

Comments and signature of the Head of Department:

List of documents confirming that the application or proposal is justified:

Notes:

1. **Student applications for scholarships for excellent results** must be supported with a statement from the Head of the Department and with documents confirming that the application is justified for the Grant Committee.
2. **Applications for Faculty social scholarships** must be supported with a statement from the Head of the Department and with documents confirming that the application is justified for the Grant Committee (specified in the current Dean's Decree).
3. With applications **for scholarships in cases worthy of special consideration**, the student or the proponent shall attach a financial budget justifying the requested amount of the scholarship, supported with documents that confirm that the application is justified.

A scholarship will be paid to the student only if all the documents required for the payment are submitted. The applicant has no legal title to receive the scholarship. The applicant confirms that the information submitted is true and complete, including any funding obtained from other sources, with their signature.

The scholarship can only be paid to Czech bank account registered in KOS.
