3. Find **WIFI Eduroam Password** and click on **Change Password**.

4. Set the new password and click on **Update**.

The screenshot shows a form with two input fields: "New password:" and "Confirm New Password:". Below the fields are two buttons: "Update" and "Close". The "Update" button is highlighted with a green circle.

5. Don't forget to click on the button **Save**!

The screenshot shows the AMU Intranet interface. The header includes the AMU logo and text: "AKADEMIE MÚZICKÝCH UMĚNÍ V PRAZE", "AMU INTRANET", "OSOBNÍ ÚDAJE", and "ZMĚNA VLASTNÍCH ÚDAJŮ - STUDENTI". The right side of the header says "INTRANET AMU" and "Odhlášení". A navigation menu contains: "Moje soubory", "Studium a výuka", "Služby sítě", "Formuláře a dokumenty", "Osobní údaje", and "Katedry a pracoviště". The main heading is "ZMĚNA VLASTNÍCH ÚDAJŮ - STUDENTI". Below the heading, there are two buttons: "Save" and "Reset". The "Save" button is highlighted with a green circle.

B. Download and install the Configuration Assistant Tool (CAT) on the device you intend to use for the Internet access.

<https://cat.eduroam.org/>

- For download the CAT application, you can temporarily use the **amu-guest** Wi-Fi.
- The Configuration Assistant Tool is available for Windows, macOS, iOS and Android.

1. On the website <https://cat.eduroam.org/>, find the blue button:

2. Chose Academy of Performing Arts in Prague.

3. Download your eduroam® installer. (The eduroam website recognizes your operation system automatically. This example is for MS Windows 10.)

4. After download, install the CAT application on your computer or mobile phone.

Once the CAT application launches, all the necessary data will set up. You only have to enter your credentials: username and password.
