F_FI-	o-g		by TITLE of the book

¹ The sign ⌘ (a black dot on a book spine •) means a different order at the same topic, e.g. arrangement by title of the book (with a dot), instead of arrangement by name of the person (without a dot).

² “Variously” means a combination of arrangements, e. g. part of the books in the shelf is arranged by the title, other part is arranged by the author.
