This server could not prove that it is **195.113.74.59**; its security certificate is not trusted by your computer's operating system. This may be caused by a misconfiguration or an attacker intercepting your connection.

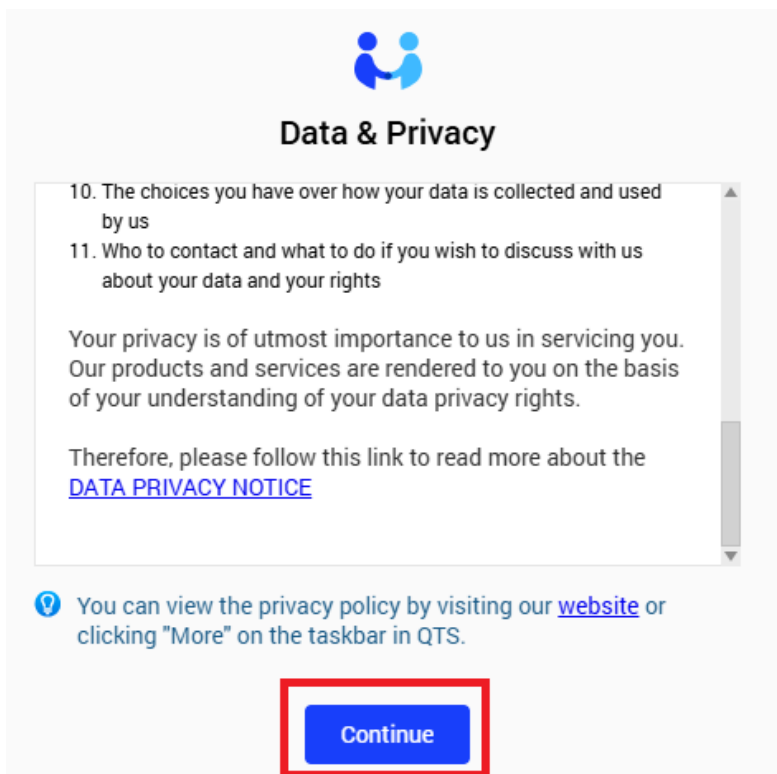

[Proceed to 195.113.74.59 \(unsafe\)](#)

Use **login** and **password** you received in **email** to log in.

The image shows a login form overlaid on a background of a white banner with the text "# F I - N A S" and "TER NATIO". The form includes a "Username" field with a person icon, a "Password" field with a lock icon, a "Remember me" checkbox, and a "Login" button. The "Login" button is highlighted with a white border.

After logging in you'll see „**Data & Privacy**“ notice. **Scroll down** and click „**Continue**“.

The image shows a "Data & Privacy" notice. At the top is a blue icon of two people. Below it is the title "Data & Privacy". The notice contains the following text:

10. The choices you have over how your data is collected and used by us

11. Who to contact and what to do if you wish to discuss with us about your data and your rights

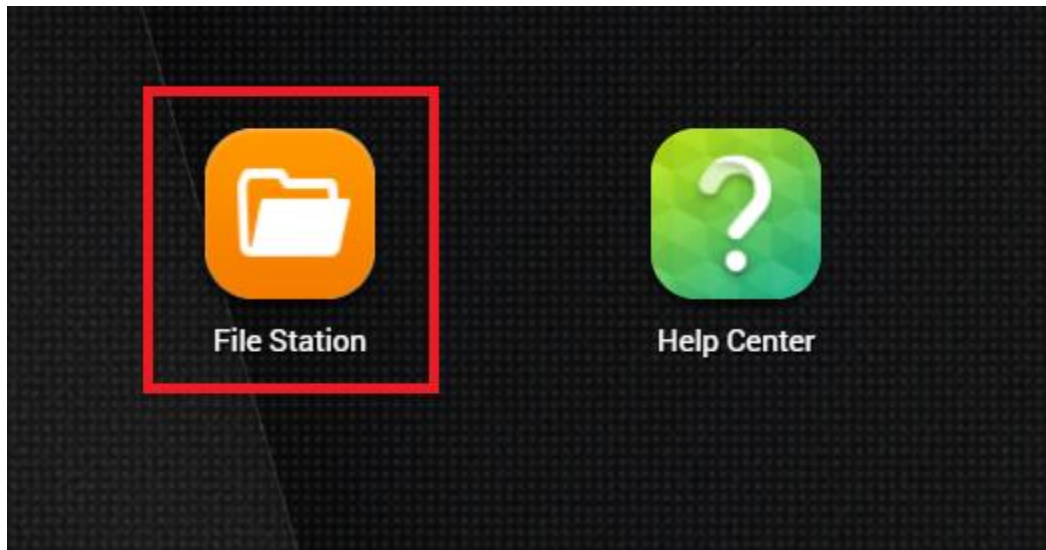

Your privacy is of utmost importance to us in servicing you. Our products and services are rendered to you on the basis of your understanding of your data privacy rights.

Therefore, please follow this link to read more about the [DATA PRIVACY NOTICE](#)

 You can view the privacy policy by visiting our [website](#) or clicking "More" on the taskbar in QTS.

At the bottom, there is a blue "Continue" button highlighted with a red border.

To upload files click „**File station**“

Make sure you are in „**home**“ directory, after that click **upload button**

Choose **files** to upload. See **screenshot below**.

Uploaded **file** should appear in the **list**
