## Subjects evaluation questionnaire

Please fill in this evaluation survey which can contain two types of questions:

- Questions which you can answer with value from offered range (five range scale). Each question has available range shown.
  - Questions which you can answer with free text.
- You have to answer all questions to be able to send survey. If you don't want to answer you will have to select "I don't want to answer" option.

Evaluation is anonymous and therefore sent evaluation can't be corrected.  
 Please pay attention to evaluation. We want to know your opinion.
